

YOUNG INVESTIGATOR'S PROGRAM

SY23-24 STEM MINI-GRANT APPLICATION

Please complete the form below and submit to **acadsci@hawaii.edu** by **September 30, 2023**. Decisions will be determined by October 15, and awarded funds disbursed soon after. All awardees <u>must</u> participate in their school or district science fair with the project they are receiving funding for. Awardees may be contacted post-fair for follow-up information.

APPLICANT INFORMATION

Student Name:	
Name(s) of additional team members (if applicable):	
School:	Grade Level:
Email Address:	Phone:
Mailing Address:	
Parent/Guardian's Name:	
Parent/Guardian's Email:	Parent's Phone:
Project Title:	
BUDGET PROJECTION Provide a projection of costs to complete the proposed project. Include the amount requested, and an itemized list of materials and expenses (e.g., DNA kit, Qty:2, \$100/each). Be detailed. If necessary, a separate attachment may be included.	

NARRATIVE

Tell me about your project. Include a focused background, explanation of your project with enough details of how you will execute your study, and intended results along with impacts to the scientific community or the world at large. The goal of a narrative should be to tell a story that convinces the funder that your project deserves to be funded. Narratives are limited to the space provided in the block.
